# *how much* SHOULD I ORDER?

---

We recommend 1/2lb to 1lb of meat per guest- that's a combined total of all meats. On the low end of that range, your guests will eat all the food. On the high end of that range, your guests will stuff their faces and you may have some leftovers.

# *how are the* MEATS PACKAGED?

---

All the meats are sliced, wrapped in butcher paper, and packed up in disposable foil containers. It will stay nice and moist, even if you're holding it until dinner.

**WE OFFER COLD OR HOT FOOD PICKUP.** Reheating and holding instructions are provided.

We also offer **FULL SERVICE** catering and event planning.

**ALLERGY? | DIETARY RESTRICTIONS? | CELIAC? | HALAL?**

**We can accommodate it all, please tell us your needs!**

\*Prices are subject to change without notice
